Duxbury, MA

Contact: Paul Anderson, Water Superintendent

878 Tremont Street Duxbury, MA 02332

**Telephone: 781-934-1103** 

Key Personnel: David A. Jacobsen, P.E.

Patrick G. Brennan, P.E.

## **PROJECT DESCRIPTION**

The project included approximately a mile of 12-inch ductile iron watermain with a river crossing and state highway bridge crossing. Bridge work included modifications to the bridge structure to provide a shelf for the watermain. The watermain was placed on roller assemblies, insulated and tied down with stainless steel straps.
